DCM SATURDAY, COUNCIL ON AGING-8:00 am

The holidays have come and gone and after taking a couple weeks off for R&R, I have finally found the energy to put together some of the happenings from our meetings, the Division and the District.

Our Tuesday Board Meetings seem to be a big plus for our club. Sixteen of our members attended last week when **Gilles Blais**, with the help of **Devin Sharpe**, our Junior Member as Flag Bearer, lead the Flag salute. Then there was the room rocking singing of “**When the Saints go Marching In**” led by **Ed Perkins**, and the invocation by **Bill Kohlman**.

Pres. Joe reminded members that we should remember our waiter at the Piccadilly with a gratuity and asked if the members wanted it to come from the club treasurer or from the members. All agreed that the members should be responsible for this.

Lynn Perkins reported how well received our club members are with the children at our new **K-Kids** program at the Boys and Girls Club. This meeting is from 4:30-5:00 p.m. each Wednesday. The members remembered how well these children were received at the Christmas party for the residents of the Riviera ALF. She asked for volunteers to join in the fun and select a meeting that they could attend and work with the children. Her sign-up plea was successful in filling most of the blanks for January and February with the following: Jan. 7 **Joanne Dellarata**, 1/14, **Marion Pryor**, 1/ 21&28 **Bill Kohlman**, 2/ 4 **Joanne Dellarata**, 2/11 **John Wooten**, 1/18 **Chuck Mills**, 2/28 put your name here _____.

Now is the time for you to look at your calendar and be ready to fill in the dates you can participate in March and April. You can’t get any closer to “**Serving the children of**

Ed Perkins suggested that preliminary plans for our annual new member special day should be made now and suggested that the special day should be selected in March. **John Wooten** asked that the date not be set until he had an opportunity to contact a speaker that had been a big draw in the past when publicized early. He hopes to have a confirmation and date set for the meeting today. Last year our special guests day was a great success when we had Senator Evelyn Lynn as our speaker. It was promoted as 100 Women in 100 days and we sent invitations mostly to women and had 20 + guests attend. This year we will be looking for Special Men and Ladies in our community to invite. If you are still wondering how you get people to attend one of our meetings, just ask **Ed Perkins**.

Our Honorary member and the newest member of the School Board at Trinity Lutheran School, **Charlie Sharp**, announced that a date for our annual Pancake Breakfast partnership at the church would be selected and reported at our meeting today. He also announced that our adopted grandson **Devin** is reading at the second grade level. Now aren’t we proud of our adopted grandson and Junior Member.

The health of our Administrative fund was discussed. Our income for meals shows a deficit of \$150.00 for the year. **Ethel Yardley** is preparing lunch today for members to pay their regular \$7.00 and she only wants to be reimbursed for the ingredients. Other members are volunteering for a meeting in February and March. This could go a long way in bringing health back to our Administration fund. We probably need volunteers for another couple months to help end the year in the black.
