WHAT'S JUST EIGHT WEEKS AWAY?

Ethel Yardley had the soup pots hot when our members arrived. Along with crackers and cookies, this cold weather food was a fitting change from our usual salad or sandwich lunch. We can expect more of this **Home Cooking** today when **Carolyn and Chuck Mills** will be serving Tacos. This change, for a few meetings, is the result of Board action to address the need to give our Administrative Fund a shot in the arm. Other surprises are in store for us when other members prepare some future "home cooking" lunches.

President Elect Chuck opened the January 13th meeting at 12:20 pm. **Past Pres. Gilles** led the flag salute, **Secretary Joanne** led us singing a rousing **Happy Birthday** to **Jason**, her one year old grandson. **Jason** was home sleeping, but I am sure he heard every word and had his trademark big smile. The invocation was by **Bill Kohlman**.

Philip Kinley, from Fort Wayne, Indiana, made his annual visit while here for some winter R&R. It is nice to have our winter visitors come home to us again.

Charlie Sharp took home the big winnings from the 50/50 drawing, **Joanne Dellarata**, paid her \$1.00 fine for leaving her "K" pin at home and there were several happy dollars. The one that really "rang a bell" was the one from **Mark Skinner**. He was happy that he still had one dollar left to be **happy for**.

Joanne reminded us of the request for members support at the "K" Kids weekly meeting each Wednesday at the Holly Hill Boys and Girls Club. **Bill Kohlman** has volunteered for this week. You can see **Lynn Perkins** to choose a date to be a volunteer. Try it you'll like it. A confirmation from **Ken Willis**, my favorite sportswriter from the News Journal, was that **he would** be our speaker for our special guest program on

March 17. This is our wake up call to start making our list of prospective members that we would like to invite to this meeting. This is just 8 weeks away, which is just about the right amount of time to make this the biggest membership development campaign in recent history. It is time for **"EVERY MEMBER BRINGS A NEW MEMBER DAY."**

Pres. Elect Chuck announced that the date for our first ever golf tournament is Saturday June 6, at the Daytona Beach Country Club on Wilder Blvd. This is another date that requires much groundwork from our members for a much needed fundraiser for our club. **Ed Perkins and Chuck** will be leading the charge, but it will also take every member's efforts to be successful.

Past President Gilles' promise of a great speaker on what the youth of the 1930's did for amusement was right on the mark. He introduced ----- who was living in Holly Hill in 1930 and going to school in Holly Hill Elementary and Mainland High School. His youth was filled with swimming in the river and ocean, fishing and hunting. He kept us all wishing that the youth of today spent their summer days as active as him. He was like most youth that grew up in the depression years, with very little money for entertainment. He earned spending money selling magazines, built his fishing boat from scrap material, and carved his paddle from an oak board. His surfboard was made from plywood covered with many coats of varnish and it "worked just fine." When it came time to put some wheels under him, he took a washing machine motor that his mother had abandoned, purchased four wheels, built a frame and with a little engineering was soon traveling up and down the beach. Now you know what it was like in the good old days of the depression years. I don't think we will see the same again.
