### Announcing our First Annual Golf Tournament- June 6

**Carolyn Mills** had a table, about half the length of a football field loaded with all the fixings, for all the ways you want your Tacos, for the lunch bunch on Tuesday. Also, if you left room, following your 2<sup>nd</sup> or 3<sup>rd</sup> helping, there was a delicious cream pie for desert. This home cooking, two weeks in a row, will have our members so spoiled; they wont know how to act with our regular deli sandwich or salad. It was also a fitting way to lean back and enjoy the food while listening to our 44<sup>th</sup> President, **Barrack Obama** take the oath of office. Thank you **Ed Perkins** for bringing a radio. While all this was taking place, **Mary Wooten** was busy collecting for meals and selling 50/50 tickets and handling the secretary's duties while **Secretary Joanne** was home with out of town family who had come to celebrate the first birthday of her grandson **Jason**.

**President Joe** rang the gong at 12:15 p.m. and asked **Gillis Blais** to lead the flag salute which was followed by our choir leader, **Ed Perkins** leading our singing of **America the Beautiful**, certainly a fitting song on this historic day. **Bill Kohlman** gave the invocation.

**Jim Woodward** answered the trivia question by knowing that our **Special Guest Day**, trolling for new members, was just 8 weeks away. With our speaker, **Ken Willis**, committed, we should fill the clubhouse with prospective members if all our members start making their list of persons to invite ASAP. It's time for every member to get a member. **Steve Segner** was the big winner of the 50/50 and almost everyone in the room was waving their \$1.00 bills anxious to tell why they were happy. I think that all that good food was what brought out all the **H-A-P-P-Y** in them. It also helps put the happy back in our Administrative Fund.

Our annual pancake breakfast partnership with Trinity

Church's elementary school does not have a date yet but it is not too soon to start "Flipping" through your contacts for ticket sales.

Saturday is our first **Peanut Day**. Join your fellow members at the Ormond Beach Wal Mart Saturday. **Joann** will have the sign-up sheet today. There are two entrances and we need members at each door. **H-E-L-P** we need the **M-O-N-E-Y**.

**Teresa Trotter**, manager of the Holly Hill Wal Mart, is looking for help from Holly Hill and Volusia County residents to send letters to the Florida Legislature critical of their actions lowering funding for schools. Area elected officials and interested citizens will be traveling to Tallahassee soon to protest their actions. This is a great way to participate on our mission of "Serving the Children of the World."

**Chuck Mills** reported that along with **Carolyn, Gilles Blais, Joe Pinello** and **John Wooten** attended the Division Council meeting on Saturday. The annual Governors Visit for Division 7 is on February 27 and will be held at the Daytona Beach Airport. The cost will be \$35.00 per person. The midwinter Zone Conference for Division 7 Clubs is scheduled in Orlando on February 28. Those attending this educational meeting will pay \$10.00 per person.

**Past President Gilles** has been introducing some very special programs this month. He introduced Officer **Rommel Scalf**, from the Holly Hill P.D. We quickly learned that he is a very dedicated "teacher" and leader of youth. He spoke of his youth years in the hills of West Virginia, the pride of those living there then and now, and the lessons he learned and is passing on to members of his scout troupe and to the Holly Hill Police Explorers. He is a perfect pick for Kiwanis membership. We need his determination and dedication.

**Objects of Kiwanis**  
To give primacy to the human and spiritual rather than the material values of life; To encourage the daily living of the Golden Rule in all human relationships; To Promote the adoption and application of higher social, business, and professional standards; To develop by precept and example, a more intelligent, aggressive, and serviceable citizenship; To provide through Kiwanis Clubs, a practical means to form enduring friendships, to render altruistic service and to build better communities; To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, patriotism and good will

**THOUGHT FOR THE WEEK**  
Genius without religion is only a lamp on the outer gate of a palace; it may serve to cast a gleam of light on those without, while the inhabitant is in darkness.  
*Hanna Moore*

**KIWANIS 101**  
The first Kiwanis motto, "We build." Roe Fulkerson, the first editor of the Kiwanis Magazine, proposed it. He said that God inspired him to write these two words and he is prouder of them than any other accomplishment in my life. It was replaced 85 years later.
