How many names are on your prospective member list?

President Elect Chuck Mills opened the meeting at 12:20 and in the absence of **Past President Gilles**, led the salute to the flag. **Ed Perkins** got the gang warmed up by leading our singing three verses of “**She’ll be coming around the mountain**” and **Bill Kohlman** gave the invocation.

We learned following the meeting that **Past President Gilles’** unusual absence was due to his fainting at home prior to leaving to attend the meeting. We missed you!

Our guests were **Dr. Cheryl Manning, Michael Duncombe** and **Kaline Hildebrand** from our Holly Hill Builders Club, **Phil and Phyllis Kinley** visiting from Anderson Indiana, and our speaker, **Janne DeAnglelis**.

Secretary Joanne stumped everyone with her trivia question. No one could come up with “**guillotine**” in France, as the item patented in 1875 causing fear to many.

Mary Wooten took home the big bucks after winning the 50/50 jackpot.

The guests attendance by the Builders and our guests from Anderson Indiana were responsible for many of the happy dollars.

We will get a report on our first ever double barrel fundraising day on Saturday. **Secretary Joanne** had arranged to have our “Peanut Day” at Wal-Mart in Ormond Beach, and our speaker last week, **Rommel Scalf**, invited our club to do a fundraiser from 10:00-12:00 at Sica Hall. A Crime prevention program was being held there and there was a need for a food concession to serve those that attended. **President Elect Chuck Mills**, accepted the offer, was arranging the details for the event.

The members were reminded of several events that are on our spring and summer schedule. First up is our annual visit by **District Governor Dave Liddell** for a dinner at the Daytona Beach Airport Restaurant on February 13. The dinner cost is \$35.00 P/P.

On February 28, the annual zone conference for clubs in Division 7 will be held in Orlando at Timber Creek High School. This is a half-day schedule of workshops on subjects that help to strengthen Kiwanis clubs. The \$10.00 fee covers the cost of continual breakfast and workshop materials.

The date for our Pancake Breakfast event with Trinity Lutheran Church School has not been selected.

March 17 is the date for our Special Guests Day with **Ken Willis** as our speaker. Members were reminded to start making their list of prospective members they wish to invite to this meeting.

Ed Perkins has signed a contract with the Daytona Beach Country Club for our first annual Golf Tournament on June 6. He will be working with **Chuck Beach** from the Holly Hill Recreation department to learn of the success of their tournament. This will test our member’s sales abilities if we are to be successful. We need a corporate sponsor, 18 hole sponsors and lots of golfers, so start polishing your sales pitches for when the flag drops to start this event.

Joanne DeAngelis made a return visit as our speaker after the great reception she received following her recent visit when she told of her experience as a WW2 veteran. **Past Pres. Gilles** invited her back to insert some of her same humor by telling of her growing up years in the 1920’s and ‘30’s. She is a talented and gifted presenter and had us all wishing for the return of the good old days before all the current problems facing youth today.

Objects of Kiwanis
To give primacy to the human and spiritual rather than the material values of life; To encourage the daily living of the Golden Rule in all human relationships; To Promote the adoption and application of higher social, business, and professional standards; To develop by precept and example, a more intelligent, aggressive, and serviceable citizenship; To provide through Kiwanis Clubs, a practical means to form enduring friendships, to render altruistic service and to build better communities; To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, patriotism and good will

THOUGHT FOR THE WEEK
Progress occurs when courageous, skillful leaders seize the opportunity to change things for the better.
President Harry S. Truman

KIWANIS 101
In 1987, after more than a decade of debate throughout Kiwanis, delegates at the convention in Washington D.C. voted overwhelmingly to eliminate gender as a membership requirement. Today about 20 percent of the membership are ladies and 29 % of new members are women.
