President Joe opened the meeting for Fifteenth members and one guest at our monthly evening meeting and board meeting at the Piccadilly Cafeteria. Our regular meeting room was filled with a two person meeting causing our group to be moved to an open dining room area. Following the flag salute, **Ed Perkins**, at the request of **President Joe** in deference to the other guests in the area, **led** the choir in a subdued rendition of “Mary Had A Little Lamb,” and **Bill Kohlman** gave the invocation. **Sue Tomlinson, Gene’s** wife was our only guest.

Our “I forgot to wear my “K” pin” pool grew by \$1.00 when **Secretary Joanne** confessed.

The first February Trivia Question had a winner when **Jim Woodward** knew that the first Television Broadcasting License was issued by the U.S. Government on February 25, 1928.

Bill Kohlman won the 50/50 and 8 members were so happy they were willing to pay a “buck” for the opportunity to brag a little.

Secretary Joanne reported that our “Peanut Day at Wal-Mart was a bust. Scheduling conflicts pushed our peanuts aside and Girl Scouts sold cookies.

Chuck Mills reported that the quickly arranged fundraiser that was held in conjunction with the Holly Hill Police Department’s crime prevention program at Sica Hall on Saturday succeeded in some good P.R. for our club. City officials including Mayor Roland Via and the commissioners, all stopped by and thanked our members for bringing this little extra for the meeting. They are planning to enlarge this special crime prevention program next year with booths set up in Sica Hall and asked us to plan an event

indoors next year suitable for a much larger group. This is another opportunity to put Holly Hill Kiwanis out front in Holly Hill.

President Joe announced the new Division 7 web site. The website is <http://www.fldivision7.com/>. Our new Web Master, **Mark Skinner** is getting the club’s website up and running. You will soon be able to log on to hollyhillkiwanis.com to receive your newsletter. Thank you **Mark** for bringing us into today’s world.

Joanne also announced that the Governors Dinner, scheduled for February 13, has been canceled due to a very low number of reservations. Some of the reasons given by our members were the high cost and the fact that it was scheduled on the Daytona 500 weekend when no members want to go near the speedway, especially at night. **Lt. Gov. Mario** has put this on the March 14, DCM agenda.

The month of February’s meetings will feature home cooking for lunch. Today’s meeting is being “catered” by **ED Perkins**, next week **Mary Wooten** will be serving “slaw dogs and chili dogs, and on the 24th, **Joanne Dellarata** has “something Italian” cooking.

Objects of Kiwanis

To give primacy to the human and spiritual rather than the material values of life; To encourage the daily living of the Golden Rule in all human relationships; To Promote the adoption and application of higher social, business, and professional standards; To develop by precept and example, a more intelligent, aggressive, and serviceable citizenship; To provide through Kiwanis Clubs, a practical means to form enduring friendships, to render altruistic service and to build better communities; To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, patriotism and good will

THOUGHT FOR THE WEEK

Progress occurs when courageous, skillful leaders seize the opportunity to change things for the better.

President Harry S. Truman

KIWANIS 101

In 1987, after more than a decade of debate throughout Kiwanis, delegates at the convention in Washington, D.C. voted overwhelmingly to eliminate gender as a membership requirement. Today about 20 percent of the membership are ladies and 29 % of new members are women.
