Ed and Lynn brought in pizza for all with a salad and homemade brownies for desert. No one was counting, but it seems that everyone went back for seconds and there were still some leftovers taken home. These “home cooked” lunches are going great.

President Joe opened the meeting at 12:15. The salute to the flag was led by **Gilles Blais** and **Ed Perkins** must have had Valentine Day on his mind when he selected ‘**Let Me Call You Sweetheart**’ for our happy song. **Gene Tomlinson** gave the invocation.

Every member made sure that his or her “K” pin did not get lost. They had them pinned securely to their shirt or blouse.

Chuck Mills was the quickest to answer the Trivia Question. He knew that our “**Special Guest Day**” will be on March 17, and that **Ken Willis** will be our speaker. We were reminded that it is also “**Saint Patrick’s Day.**” I don’t think that we will be serving “**Green Beer,**” but it is rumored that some of the ladies are thinking of a “traditional Saint Patrick’s Day meal. Stay in tuned!

President Joe reminded us that it is time for everyone to get their prospective member list completed so that invitations can be prepared. You need to list name, address and phone number of those that you want to invite.

Ethel Yardley was the big winner of the 50/50. She has a direct pipeline for her winnings, by way of **Charlie Sharp**, for a trip to Wal-Mart for our adopted grandson **Devin Sharp.**

Happy dollars came from **Ethel Yardley, Bill Kohlman, Gilles Blais, Marion Prior, and Jim Woodward. John Wooten, Mark Skinner, Gene Tomlinson, Ed Perkins, and Chuck Mills** paid 2 bucks for some advertising. It’s always great to have lunch with such happy people.

President Joe reminded us of the benefits for Kiwanians who attend a Zone Conference. At this time, we do not have any members registered, but it is not too late. The location is Timber Creek High School in Orlando on February 28.

Mark Skinner said that our new web page is a “work in progress.” It is up and running with more features to be added this week. Just use the address in the headline above to open the page. He will add an email address that can be accessed through this page for all our members who wish one. You can expect to receive your weekly newsletter by going through the new web page. There should be no more problems opening attachments.

Carolyn Mills brought a large display of craftwork made by our **K-Kids.** This was the result of a contest that she and **Lynn Perkins** developed and members were asked to vote on their 1st, 2nd and 3rd place winners, who will receive Wal-Mart gift cards. This is great work by these two ladies.

President Joe requested quick action by the board to fund the cost of the gift cards and also funds to reimburse **Mark** for the web page expenses. These items were approved.

Chuck Mills introduced **Rose Shumaker**, Director of the Holly Hill Chamber of Commerce, who brought us up to date on the results of the state law that allows babies, 7 days old or less, to be dropped off at hospitals without penalties for the mother. There have been 125 babies saved by this legislation. The Gloria Silverio Foundation is leading the charge in implementing this law.

Following the meeting, **Chuck Beach**, from the Holly Hill Recreation Dept., met with our Golf Tournament Committee giving ideas and suggestions to help make our first attempt successful. **Ed Perkins** and **Chuck Mills**, team chairmen, will be assigning work details to make this project a success.

Objects of Kiwanis
To give primacy to the human and spiritual rather than the material values of life; To encourage the daily living of the Golden Rule in all human relationships; To Promote the adoption and application of higher social, business, and professional standards; To develop by precept and example, a more intelligent, aggressive, and serviceable citizenship; To provide through Kiwanis Clubs, a practical means to form enduring friendships, to render altruistic service and to build better communities; To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, patriotism and good will

THOUGHT FOR THE WEEK
 A person who has not done one-half of his or her day’s work by ten in the morning runs the chance of leaving the other half undone. *Emily Bronte*
