This recent home cooking has been just the right tonic for higher attendance. Last week, **Mary** and **John** offered giant hotdogs with slaw/chili toppings, baked beans and banana pudding for dessert. You can expect more of the same today because **Joanne Dellarata** is a master chef with her Italian recipes.

With everyone enjoying the food, some for the second trip to the table, the meeting got off to a late start. **President Joe** opened the meeting at 12:25 and asked our Sergeant at Arms, **Gilles Blais** to lead the salute to the flag. Our choir Director, **Ed Perkins**, led the choir in a slightly off key version of "Dixie." **Bill Kohlman** gave the invocation.

Our guests were, **Robert Mills** our speaker and **Virginia Vainella**, **Tim Harbuck's** secretary, who made her first visit as **Tim's** replacement to represent the city at our meetings when he is unable to attend. This is our first corporate membership. Our second is the **United Brethren Church** with **Pastor Chuck** as the member of record and **Pastor Matt** also representing the church. Corporate membership is another tool Kiwanis is giving us to help reach that 1,000,000-membership goal.

It's a good thing that the club does not depend on "fines" to balance the administrative budget. This was the third week no members "confessed" to not wearing their "K" pin.

Secretary **Joanne's** trivia question was answered with a number of responders, but **Ed Perkins'** response was declared the winner by 1/1000 of a second. **Ed** knew that **George Washington** was the first president to be elected unanimously.

Steve Segner drew his own number and won the 50/50. He contributed the first happy dollar for his winning and **Charlie Sharp, Ed Perkins, Lynn Perkins, Chuck Mills**

and **John Wooten** all wanted to pay so that they could tell all just how happy they were.

Secretary Joanne announced that she had rescheduled our first annual Peanut Day for March 7 at the Wal-mart Neighborhood Store in Holly Hill. **Help needed** between 9:00 AM and 4:00 PM. Tell Joanne that you will help. We have peanuts to sell and need the money.

Our hollyhillkiwanis.org web site is growing. Our web-master, **Mark Skinner**, is asking for pictures of Kiwanis, Builders, and K-Kids events to use in the future. Also, just a reminder, you can go to the Division's new site, fkiwanis7.com for newsletters and information from other clubs in our division.

Read the headline above and follow the instructions and you will learn how, in just 3 weeks, you can earn a bronze, silver, or gold key. Every member can earn one of these trophies by introducing a special guest at our "**Special Guest Program**" on March 17 that "becomes a member." Now, that will be better than wearing your "K" pin. Invitations will be ready for you to mail to prospective members on your guests list at the meeting next week.

Chuck Mills introduced his brother **Robert** who is a long time resident of Wilber by the Sea having grown up there with their parents before serving in a variety of positions around the state and country and then returning to the area for retirement. He has promoted and assisted in the restoration of some of the history and buildings in the area. Including the boathouse. He is a great "**History Teacher**" and promoter of the area and his collection of photographs from the 1920's, taken by his father, show a thriving community at that time. Most present indicated that they had visited Wilber By The Sea, but he makes us want to revisit it

Club by-laws prevent the club from being used for any political purpose or, as a club, from actively participating in the political candidacy of any person. This does not mean that the club cannot take an interest in public affairs. Article XIV section 1 of the standard form of club bylaws outline how opposition candidates or supporters of controversial issues may be heard.
