SPECIAL GUESTS DAY---JUST TWO WEEKS AWAY!

Do you ever wonder what our club meeting would look like with 8 new members? If you attended our Tuesday meeting, you would know that with 8 visitors, **WE HAD A ROOM FULL**. Even the choir sounded better with all the new voices. Thank you **Joanne** for your Italian feast and cupcakes, and Carolyn for the birthday cake for our speaker **Kim Hull**. The long buffet line and getting everyone seated caused a slight delay in opening the meeting, but **Pres, Joe** kept the meeting on schedule. **Gilles Blais** led the flag salute, **Ed Perkins** led the choir singing **God Bless America**, and **Gene Tomlinson** gave the invocation.

The following guests were introduced: **Kim Hull, Shannon Driggers, Kevin Stults, Jordan Austin, Dr Cheryl Manning, Harold Bennett, and Dorra Alsop.**

Jim Woodward paid an "I forgot to wear my K-pin fine" and **Chuck Mills** knew the answer to the trivia question.

Ed Perkins was the big 50/50 winner and donated his winnings to support the Builders Club expenses.

Under the sunshine report, continued prayers were requested for **Ethel Yardley's** brother, **Ed Perkins' brother** and **Joe Pinello's** mother-in-law.

Joanne reminded everyone of the peanut day sale that was held Saturday and we will have a report today.

Charlie Sharpe announced that he had met with the board at the Trinity Lutheran Church School and the date for our Pancake Breakfast will be Saturday, March 28. **Jim Woodward** will print the tickets for presales and at the door.

This will be the third year that we have partnered with the School for this fundraiser so be ready to sell tickets.

The next big event is our Special Guest Day. **Virginia Vainella**, our club's City of Holly Hill representatives.

volunteered to print the invitations that members will send to "their" prospective members and will have them ready to mail today. Remember to sign you invitations and then follow through by getting a verbal commitment for reservations. This meeting has been moved to the Holly Hill Recreation Center, 1046 Daytona Avenue to have room for the large number of guests and visiting Kiwanians that are expected.

Chuck Mills introduced our program. **Kim Hull**, a stay-at-home mother of 5, who told us about **Moms In Touch International**, a worldwide program that she has belonged to for 10 years. This is a non-denominational program where 2 or more moms, grandmothers, aunts, or just a friend meet one hour each week to pray for their children, their school, teachers and staff where they attend. These moms believe that prayer does make a difference and intercede for all children through prayer that our schools may be guided by biblical values and high moral standards. Their desire is for God to raise up mothers and others to pray for every school in the world. They do not meet on school campuses. **Shannon Driggers**, also a member, told of her experience with **Moms in Touch**

Our June 6 Golf Tournament is beginning to take shape. **Ed Perkins, Chuck Mills, Charlie Sharp and Joanne Dellarata** were meeting, following the regular meeting. This could be our "fund raiser for the year." Start seeing businesses you support and selling Hole Sponsors, \$150.00; Hole In One Sponsor, \$600.00; Corporate Sponsor: \$1500.00; Gold Sponsor: \$1000, with 4 players included, Silver Sponsor: \$750 with 3 players included; and Bronze Sponsor, \$500 and two players included. You do not have to be a golfer to participate, just start selling some of the above.

Objects of Kiwanis

To give primacy to the human and spiritual rather than the material values of life; To encourage the daily living of the Golden Rule in all human relationships; To Promote the adoption and application of higher social, business, and professional standards; To develop by precept and example, a more intelligent, aggressive, and serviceable citizenship; To provide through Kiwanis Clubs, a practical means to form enduring friendships, to render altruistic service and to build better communities; To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, patriotism and good will

THOUGHT FOR THE WEEK

Great leaders are almost always great simplifiers.

General Colin Powel

KIWANIS 101

Don't delude yourself into thinking God can be cheated: where a man sows, there he reaps. If he sows in the field of self-indulgence, he will get a harvest of corruption: if he sows in the field of the Spirit, he will get from it a harvest of eternal life.

Bible, Galatians 6:7-8
