### ARE YOU READY? SPECIAL GUESTS DAY NEXT WEEK

**Vice President Chuck**, unexpectedly the leader for the day, showed his leadership. Without even an agenda to manage the announcements, he opened the meeting by asking **Past Pres. Gilles** to lead the salute to the flag. **Gilles** also led the gang in singing that happy Kiwanis song, **Show Your K**. The difference between the choir and a gang is the number of members available to sing. **Gene Tomlinson** gave the invocation. Some were mixed up by our first board meeting recently, when we were not meeting at night, and were planning to attend later in the day, others had unexpected emergencies so our attendance was down.

Brown bags were the lunch of the day for this board meeting, and if you find this at [hollyhillkiwanis.com](http://hollyhillkiwanis.com) this is just another reminder that today's meeting is also a brown bag-planning meeting for our Saint Patrick's Day Special Guests Day.

**Gene Tomlinson** sold the 50/50 tickets, and wouldn't you know it; he was the big winner. This put him in a higher tax bracket. Some times you can't win for loosing. **Gene** also collected happy dollars from six happy Kiwanians.

We were reminded of the happy occasions at the **Sharp** home. **Judy** celebrated a birthday the day before and **Charlie and Judy** had an anniversary in just two days. Other reminders included the March DCM meeting on Saturday March 14 at the Council On Ageing. This meeting will include the election of the 2009-10 Lt. Governor for Division 7. The electors are the current President, and President elect, or their duly elected alternates. This is also an opportunity to learn what other clubs are doing in our Division and do a little bragging about what we are doing.

**Charlie Sharp** reported that he would have tickets ready

to be distributed at our meeting today for our annual pancake breakfast, that we partner with Trinity Lutheran Church's Elementary School. He reminded us of our previous years when we each realized around \$300.00 for a fun filled morning. This event is only about three weeks away so its time to sell those \$4.00 breakfast tickets ASAP. **Charlie** said that much of the food was donated or discounted.

**Secretary Joanne** and her team of peanuts sellers will be working at the Holly Hill Wal-Mart. This is our first "Peanut Day" and we should have a report today.

With our low attendance, we still had enough Officers and Directors for a quorum for our March Board Meeting. The major business that was discussed was our effort to increase our membership. **John Wooten** read the list of nearly 50 prospective members proposed by our membership. Following the review, all were approved and invitations were mailed following the meeting. The sponsors will confirm reservations for a report today. Other action concerning the Special Guests Day program was that the cost for lunch would be \$10.00 for Kiwanians. This will include three 50/50 tickets. This slight increase is for this one meeting and will help cover the cost of the meeting.

Today's meeting will be devoted to making the final arrangements for our meeting next week. There will be plenty of opportunities for every member to volunteer. Things to do: come early around 11.00 to help set the tables, fill drinks, work the serving lines, plate desserts and welcome guests. Guests will arrive at 11:45. It's Saint Patrick's Day. Wear your green and celebrate.

**KIWANIS 101**

Kiwanis is not a "professional Classification organization. Any number of members from a particular business or organization can belong to a Kiwanis club. Of course, each club should strive to represent a broad spectrum of its community.
