2008-09 International President Don Canaday
District Governor Dave Liddell, Lt. Gov. Diana Christian
President Joe Pinello, President Elect Charles Mills, Treasurer Steve Segner
Secretary Joanne Dellarata, Immediate Past President Gilles Blais
Directors: Jonathan Cohen, Carolyn Mills, Lynn Perkins, Jim Woodward, Mary Wooten, Ethel Yardley

HAPPY BIRTHDAY DEVIN!!!!!!!!!!!!!!!!!!!!!!

President Elect **Chuck Mills** opened the meeting at noon, and asked **Gilles Blais** to lead the flag salute. **Ed Perkins** had the choir in tune to sing **The Battle Hymn of the Republic**, and **Bill Kohlman** gave the invocation.

Chuck Beach, Holly Hill Recreation Director, was our only guest and also brought the program. There were no "K" pins left at home on the dresser this week.

Charlie Sharp, one of our honorary members, was "quick on the draw" when answering the trivia question, when he knew in what month the club held it's annual meeting.

Chuck Mills was the big winner of the 50/50 and stayed on the safe side of the "IRS" by donating it back to the club one Happy Dollar at a time. Now that's being cautious.

Happy dollars came from all around the room with a special one from, a little under the weather, **John Wooten**, for **Charlie Sharp's** setting up our meeting room. Thanks for a job well done.

Friends and relatives of members were remembered in our sunshine report by our caring for others.

The nominating committee for officers and directors for the 2009-10 year were selected. The following past presidents, **Gilles Blais**, **Jim Woodward**, and **John Wooten** and past officers **Lynn Perkins** and **Bill Kohlman** completed the roster. Their recommendations will be heard on April 14, with nominations from the floor on April 21 and our annual election will be held on April 28, our clubs 45th anniversary.

We were reminded that the regular annual **Governors Visit**, which had to be postponed earlier, will be held at the Daytona Beach Airport Restaurant on Wednesday April 15. Reservations must be made **ASAP**. Each club in Division 7 will contribute a basket for auction at this meeting with the funds going to the special fund selected

by governor Liddell's wife before her death.

Members were also reminded of our monthly networking opportunity at the Holly Hill Chamber's after hours, which would be held at Ace Hardware on Thursday, April 2.

Ed Perkins gave an update on our first annual golf tournament. The first six hole sponsorships have been sold. That leaves "only" 12 left. That's less than one for each of our members. We also have Gold Level \$1000, Silver level \$750, and Bronze Level \$500, sponsors to sell so there is work for everyone. Don't forget to sign up your golfing buddies, remember only \$65.00 to play. He also asked that we start soliciting business contributions for goodie bags that will be given to the golfers.

Charlie Sharp announced the results of our joint pancake breakfast with Trinity Lutheran Church. A total of \$580.00 after only \$45.00 expenses left \$257.50 for each organization's service funds. Not quite as well as last year but the short sales period did offer some handicap.

Chuck Beach reported that on Saturday, June 20, there will be some "old cars in town," when the city's Community Redevelopment Agency will sponsor **HOT RODS ON THE HILL**, a Classic Cars parade leaving the Publix parking lot in Holly Hill from there to Riverside to Third Street and back to the City Hall circle until it is filled. The overflow will be taken to Holly Land Park for showing and also a Swap Meet. Food Venders have been invited, and **Chuck** suggested that we might wish bring our famous **Hot Dogs** for a fundraiser. Those attending were enthusiastic and suggested that this be discussed at our board meeting today.

THOUGHT FOR THE WEEK

On Leadership
Sometimes, leadership is planting trees under whose shade you'll never sit.

KIWANIS 101
Governor Dave Liddell has challenged the Florida District's Kiwanis Clubs and members to **Reach Out** to the communities so that they can **Reach Up** with their commitment.
Have we met this challenge?
